

Cancer CAREpoint Ambassador Program

When you meet someone in need, do you tell them about Cancer CAREpoint? Then the **Cancer CAREpoint Ambassador Program** is for you!

Cancer CAREpoint Ambassadors will staff information tables at outreach events and distribute informational materials to medical offices and community facilities for Cancer CAREpoint. Ambassadors can choose the type and length of volunteer commitment.

Wednesday July 10, 6:00-7:30pm: Training Session

Volunteers will learn more in depth about the programs and services offered by Cancer CAREpoint and will be given the tools to be able to speak to the community about Cancer CAREpoint. Along with a hands on training that will prepare volunteers to table at outreach events.

All meetings held at the Cancer CAREpoint Resource Center, 2505 Samaritan Dr., Suite 402, San Jose.

To confirm attendance for the training session, or if you are interested in the program but unable to attend, call Cecilia at 408-402-6287 or email cecilia@cancercarepoint.org
