FUNDRAISER

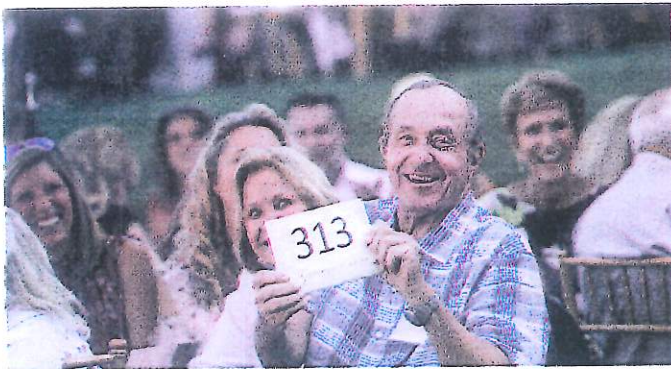

CANCER CAREPOINT GARDEN PARTY

Cancer Carepoint's 2019 Garden Party, held at the Winterbourne Estate of Pamela and Stanford Atwood, raised more than \$1 million for the second consecutive year.

All proceeds provide free non-medical services for cancer patients and their families in our community. More than 500 guests enjoyed the gardens and guest speakers Richard Levy, former CEO and board chair of Varian Medical Systems and board member of Sutter Health and Palo Alto Medical Foundation; Alex Stuart, Cancer Carepoint board member and caregiver and founding partner of Willoughby, Stuart, Bening and Cook; and Kelly Ronsheimer, mother, wife, writer, French teacher and cancer survivor.
