“None of my family and friends could truly understand the toll the cancer journey takes on the patient, the family and the caregiver. At Cancer CAREpoint, I could be sad, I could be exhausted and I could let down my guard. Cancer CAREpoint is truly an amazing organization that fills a desperate need for cancer patients and their families. Cancer is not a club we would have chosen to join, but through it—with Cancer CAREpoint’s help—we have grown more resilient and realized the strength we each possess.”

—Shari Saul

Dr. Kamakshi Zeidler, Jim & Gretchen Mair

There is an art to medicine as well as science. Warmth, sympathy and understanding may outweigh the surgeon’s knife or the chemist’s drug. This is the reason why I am so grateful that Cancer CAREPoint exists and why I support this amazing organization year after year.

—Dr. Kamakshi Zeidler, Cancer CAREPoint Board Member
